Editor's NOTE

Six years ago, Nimmoh's Homestays began with a simple belief, that where you stay has the power to shape your entire travel experience. Today, that belief continues to guide everything we do. As we celebrate our sixth anniversary, we are incredibly grateful for every guest who has trusted us, every property owner who has partnered with us, and every member of our team who has helped build what Nimmoh's has become.

What started as a small collection of carefully managed homes has grown into a portfolio of more than 100 managed properties across Nanyuki and its surrounding destinations. Every home in our collection has its own personality, and over the years we have learnt that hospitality is about much more than providing accommodation. It is about creating experiences that people remember long after they have returned home.

This edition also marks the beginning of something we are especially excited about, The Fahari Collection. More than just a catalogue of luxury homes, the Fahari Collection is our editorial selection of fifteen exceptional properties that represent the very best of what we offer. Each has been chosen because it stands apart, whether through its breathtaking setting, remarkable architecture, generous space, distinctive purpose, or unforgettable aesthetic. These are homes that tell stories, places designed not simply to host guests, but to create lasting memories.

Many of these exceptional villas have also become the perfect setting for one of our newest offerings, our Private Chef Service. Whether you are celebrating with family, hosting friends, or simply looking to enjoy an effortless getaway, having restaurant-quality dining prepared in the comfort of your villa transforms an ordinary stay into something truly special. It has quickly become one of our most loved experiences, and we are delighted to feature it in this edition.

Over the past year, we have also expanded how our guests experience Nanyuki beyond the walls of their accommodation. We introduced our Tour and Chauffeur Services, supported by the addition of our own passenger van, making it easier, safer, and more comfortable for guests to explore the region at their own pace. From airport transfers to full-day adventures, we wanted every journey to reflect the same level of care that guests experience throughout their stay.

Our passion for showcasing Kenya has also inspired the launch of our dedicated Safari Experiences. From unforgettable wildlife encounters to visits to some of the region's most iconic attractions and hidden gems, our aim is to help guests discover the places that make this part of the country so extraordinary. Every itinerary is thoughtfully planned to ensure that each excursion feels personal, relaxed, and memorable.

One of the most unique additions to our services has been our Nightlife Experiences. Many visitors are eager to explore Nanyuki after sunset but often do not know where to go or how to do so comfortably. Our team now offers guided nightlife experiences, allowing guests to enjoy the town's restaurants, entertainment, and social scene with the confidence of having a trusted local host and chauffeur throughout the evening. It is all part of our commitment to making every guest feel welcome, safe, and completely at ease.

This year has also seen the introduction of a refreshed dining experience through our newly developed menus, bringing together fresh local ingredients, thoughtful recipes, and the warm hospitality that defines our brand. Whether enjoyed in one of our homes, through our catering services, or alongside our private chef experience, good food continues to be at the heart of bringing people together.

Six years have brought countless guests, thousands of memories, and more milestones than we could have imagined. Yet, in many ways, this feels like just the beginning. We remain committed to raising the standard of hospitality, discovering new ways to serve our guests, supporting our property owners, and showcasing the beauty of Nanyuki and Kenya to the world.

Here's to the next chapter, and to many more unforgettable stays. 

Tours & Chauffeur Services

*Explore. Discover.
Arrive in Style.*

At Nimmoh's Homestays, we go beyond accommodation to bring you seamless, comfortable, and memorable journeys across Nanyuki and beyond.

Your adventure begins the moment you arrive. Whether you're landing at the airport, heading out on a safari, exploring the beauty of Laikipia, or simply enjoying a day in town, our professional chauffeur team ensures every journey is effortless, safe, and tailored to you.

From airport transfers to full-day excursions, we handle the details so you can focus on creating unforgettable memories. Share your interests and we'll craft a personalised itinerary, designed around your pace, your style, and your sense of adventure.

Our Services

Discover hidden gems and local favourites.

“ Your journey.
Your way.

We drive. You explore.
Together, we make every moment count.

Safe & Reliable
Your safety is our priority.

Professional & Discreet
Experienced, courteous, and respectful.

On Your Schedule
Flexible timing that works for you.

Uhoreru *Farmstay*

Nanyuki | Laikipia

A TRANQUIL WAY OF LIFE

Rest. Savor. Belong.

Tucked within a working farm in the heart of Laikipia, Uhoreru Farmstay is where nature, comfort and genuine hospitality come together. Whether you're here to unwind, explore or reconnect, you'll find space to breathe, good food to enjoy and moments that stay with you long after you leave.

Farm to Fork

Fresh herbs, homegrown ingredients and honest flavors from our farm to your table.

Michael's Café

A cozy favorite in Nanyuki — perfect for coffee, connection and unforgettable sunsets.

Space to Breathe

Wander scenic trails, find quiet corners or simply enjoy the calm of wide open spaces.

Warm Hospitality

Personal service, warm smiles and a place that feels like home from the moment you arrive.

More Than a Stay. *It's a Way of Life.*

Uhoreru Farmstay offers more than just a place to stay, it invites you into a tranquil way of life, just like its name.

Uhoreru sits inside a working farm, so your stay comes with the rhythm of one: mornings that start with birdsong, herbs harvested just before they land on your plate, and the kind of farm-to-fork flavor that only comes from soil you can walk to. Wander the trails if you want movement, or find one of the quiet corners built for stillness — Uhoreru holds space for both.

At the center of it all is Michael's Café, fast becoming Nanyuki's worst-kept secret. Whether you're settling in with a laptop, hosting a small gathering, or simply unwinding over a glass of wine as the sun goes down, the staff treat you like they've known you for years — because by your second visit, they will.

Uhoreru is for the traveler who measures luxury differently: in silence, in space, in the clarity of being somewhere real. Come for a weekend of rest, a retreat with colleagues, or simply an afternoon at Michael's — either way, you'll understand why guests keep coming back.

“Mornings that start with birdsong,
meals that come from the farm,
and memories that last.”

FROM THE SOIL TO A BRIGHTER TOMORROW

Cultivating Change

The Journey Behind Mkulima Dhabiti and Twigs Organics

The future is always uncertain. "Those words by Paul Kalanithi in *When Breath Becomes Air*, one of my favourite books, have shaped the way I view life and leadership. They remind me that while we cannot predict tomorrow, we can prepare for it. For me, that preparation has always begun with agriculture.

Growing up in the rural villages of Laikipia West, I was surrounded by fertile fields and abundant harvests. Every season, I watched farmers produce impressive quantities of food, yet their quality of life rarely reflected the value of their hard work. The people feeding the nation often struggled to educate their children, access quality healthcare, or build lasting prosperity. That contradiction left me with one question: Why wasn't agriculture changing the lives of the very people who depended on it most?

Determined to find answers, I studied agriculture with a clear purpose; to bridge the gap between agricultural knowledge, practical farming, and economic transformation. That vision gave birth to Mkulima Dhabiti Ltd.

FROM TWO ACRES TO A MOVEMENT

Our journey began with two acres of potatoes. Those two acres became the classroom, teaching us that successful farming does not only depend on rainfall but rather a nexus of many factors; healthy soils, quality seeds, strong market linkages and proper extension services. We experienced the same challenges many farmers face; declining soil fertility, poor seed, climate uncertainty, pests, and limited market access. Those lessons shaped Mkulima Dhabiti's mission.

Today, Mkulima Dhabiti is a one-stop agricultural solutions company supporting farmers across the entire value chain. We strengthen seed systems through quality seed production, provide soil testing and agronomic advisory services, offer mechanization and farm management, contract farming and market linkages, and equip farmers with the knowledge and technologies they need to farm profitably.

Our work is firmly anchored in Climate-Smart Agriculture, Regenerative Agriculture, and the Productive Use of Renewable Energy. We promote conservation agriculture, efficient water management, precision mechanization, renewable energy solutions, and regenerative practices that restore soil health while improving productivity. We believe agriculture should not only produce food today but also protect the resources that will feed future generations.

“Why wasn't agriculture changing the lives of the very people who depended on it most?”

STRONGER FARMS
Sustainable solutions for higher productivity.

HEALTHIER COMMUNITIES
Empowering communities through knowledge and innovation.

BETTER FOOD
Nutritious, safe food for a healthier today and tomorrow.

Thank you for growing with us. 🌿

INSPIRING THE NEXT GENERATION

Our vision goes beyond today's farmers. Through our work with 4K Clubs in schools, we inspire young people to see agriculture as a profession of innovation, entrepreneurship, and purpose. By exposing learners to practical agriculture, mentorship, and agribusiness, we are nurturing a generation that will transform Africa's food systems.

ADDING VALUE, NOURISHING COMMUNITIES

As we worked alongside farmers, we realized another important challenge. Producing food was only half the journey. Without value addition, many farmers lost income after harvest, while consumers lacked access to nutritious, high-quality products. This inspired the creation of Twigs Organics.

Twigs Organics was founded to promote nutrition, food safety, and healthy living by adding value to agricultural produce. Through natural honey, crispy plantain snacks, peanut butter, propolis products, and other wholesome foods, we reduce post-harvest losses while encouraging healthier lifestyles. Together, Mkulima Dhabiti and Twigs Organics create a complete ecosystem; from healthy soils and productive farms to nutritious food and healthier communities.

A FUTURE WE ARE BUILDING, TOGETHER

Looking back, I realize the questions I asked as a little girl were never just about farming. They were about dignity, opportunity, and hope. Every farmer we train, every soil test we conduct, every quality seed we produce, every market we open, every child we inspire through our 4K Clubs, and every nutritious product we place on a family's table brings us closer to the future we envision.

My dream has never been simply to build successful businesses. It is to help redefine agriculture across Africa; to show that farming is not a struggle, but a profession driven by science, innovation, and entrepreneurship. I envision an Africa where farmers thrive, young people proudly choose agriculture as a career, families enjoy safe and nutritious food, and communities prosper because agriculture works for them.

Let's grow a better tomorrow for our farmers, our children and our communities.

Nimmoh's
HOMESTAYS

THE NIMMOH'S TEAM

Passionate people. Exceptional hospitality.

Every memorable stay begins with a dedicated team.
From warm welcomes to thoughtful details,
we work together to create experiences that
feel like home.

Nimmoh
DIRECTOR

"We built Nimmoh's from a single apartment into 100+ homes because we believed every traveler deserves a space that feels genuinely theirs."

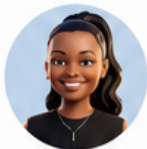

Alex
LEGAL CONSULTANT

"Every agreement, every property, every partnership is built on a solid legal foundation. That foundation is my work."

Joan
CONSULTANT, HEAD OF PEOPLE

"Happy teams create happy guests. My work starts with the people who show up every day to make Nimmoh's what it is."

Whitney
GENERAL MANAGER

"Exceptional guest experiences are never accidental. I lead by aligning people, operations, and standards to ensure Nimmoh's delivers consistency, quality, and warmth every single day."

Dorothy
HEAD OF MARKETING

"Every property has a story. My job is to find the right words, the right images, and the right moment to share them."

Maggie
GUEST EXPERIENCE LEAD

"A guest who feels genuinely welcomed will always come back. That welcome starts the moment they send their first message."

Diana
CUSTOMER
EXPERIENCE ASSOCIATE

"Every call, every message, every enquiry is an opportunity to make someone's day better before they even arrive."

Anne
CUSTOMER
EXPERIENCE ASSOCIATE

"I love the moment a guest realises their stay is going to be exactly what they hoped for. We work hard for that moment."

Muthoni
TWEET

"Our story unfolds one post at a time. I make sure the world knows what makes Nimmoh's worth talking about."

Johnson
HEAD CHEF,
NIMMOH'S KITCHEN

"Food is how we welcome people. Every dish I prepare carries a piece of this place and a wish for the guest sitting down to it."

ONE TEAM. ONE PURPOSE.
